RE: Request for Informal Hearing and Extension of Task Deadlines
Citation # 13148, 13149, 13150, 13151 and 13153
Sufco Mine, Canyon Fuel Company, LLC, C/041/002

Dear Mr. Haddock:

In accordance with R645-401-700 and Utah Admin. Code R645-400-350 et. seq. we are requesting an informal hearing to review the facts of the above listed citations. We request that the hearing be scheduled at the Division's earliest convenience. A recent phone conversation between Sufco and UDOGM personnel suggested that October 29, 2014 may meet the schedule of the parties to be involved in the hearing.

In addition we are requesting the submittal dates for the tasks listed in the "Action Required" section be extended to a reasonable date following the informal hearing. The reasons for the requested extension follow:

- Requirement listed in the "action required" section need further clarification;
- The necessity for the action will be better defined once the informal hearing proceedings have occurred;
- Information requested for submittal is known to be part of the approved permit; and
- Sufco received a phone message that a citation was being revised.

Questions associated with this request should be directed to Ken May (435)286-4400 or Chris Hansen (970)261-1425.

Sincerely,
CANYON FUEL COMPANY, SUFCO Mine

Kenneth E. May
General Manager
